SUMMARY

As an adventurer at heart, I am passionate about animation, a medium that allows everyone to explore wonderful worlds. After being immersed in fascinating universes through comics and manga like *Thorgal* or *One Piece*, I found that animation offers me the opportunity to push the boundaries of imagination. My ambition is to create epic adventures and captivate audiences with visually memorable animations.

INTERESTS

SPORTS:

Trail running, Hiking & Adventures, Athletics (400m hurdles), Basketball

TRAVEL:

Discovered diverse cultures in **Poland, Italy, Spain, England, Greece, and Morocco**, which have enriched my artistic perspective.

EXPERIENCE
